*** Enhance “Elemental” & “Strength” Attributes Increase your strength, energy, and resistance to attack when using magic to overpower monsters. *** Sense the Expanding Universe Delivering an expanded sense of fantasy, the Lands Between takes place within a vast space teeming with elements, magic, monsters, and characters. *** Transform and Build Break up monochromatic elements with help from the air, fire, water, and earth magic. Then, using the collected material, fully customize your character with the built-in armor and weapon system to create a unique character that you want. *** Weather Changes with the Elements In various parts of the Lands Between, change the weather with the elements and change the conditions of battle according to the environment. *** Become a Core Character Create, equip, and develop multiple character classes, class sets, skill sets, and items, by continuously re-specializing yourself in one aspect of the game. *** Play as the Hero's Assistant Use your main character's attacks to quickly and easily deal damage to the monster(s) attacking the hero, while still protecting the hero from attacks and reducing their energy. *** 3rd Friendlies A complimentary online-only title in which you can battle with the other main character's assistant by connecting to them in the companion client. About the time for the expansion of the Lands Between, Eldin enters another world. An adventurer who has been wandering the Lands Between for some time, Eldin comes face to face with a young man with no recollection who is also in possession of the Elden Ring. The seemingly coincidental encounter has an effect on Eldin's side. He has to face his greatest challenge...
