The audio books for developing the leader within you 2.0 by john c.The work has not yet begun, as the end of the year is upon us, but this week I took a look at the budgetary proposals for the coming year, published this week by the Department of Finance. I was immediately struck by how thin they were. Not only were there no real budget targets, there were few - if any - new initiatives. The budget for next year is being released today, but its proposals are limited - only certain items can be included in the budget for the coming year. And proposals come with a deadline of 60 days for government departments to respond. In the budget for next year, there are 15 items, including a funding boost of just €5.8 million to expand the contribution of
